

GREATER NAPLES YMCA PRIVATE DIVE LESSONS REQUEST FORM

Policy: The Greater Naples YMCA seeks to teach swim, dive, and water safety to as many students as possible through our group lesson program. As a supplement to that, we offer private lessons. Private lessons will be based on pool usage and instructor availability.

Procedure: This form will be available at the Membership Services desk for those interested in requesting private or semi-private dive lessons. The adult student or parent of students under 18 years old will complete the form and the Membership Service staff person will place it in the aquatics director's box. The aquatics director or an assigned teacher will then contact the member in approximately one week. Once scheduled, the student or parent will need to register and pay at the front desk prior to the lessons and give the receipt to the instructor at the first class.
